

DRIVER CRIMINAL RECORD CHECK

(Please bring this letter to the RCMP or the police in your locality and do not forget to bring along two pieces of identity.)

I, _____, certify that I have applied to offer as a volunteer driver for Chaleur Transportation Cooperative Ride-Home (Dial-A-Ride) service.

CTC is a nonprofit organization that requires all volunteers to have a complete Criminal Record Check. It is possible that our volunteers are directly in contact with vulnerable people.

The CTC volunteer driver will transport clients from their home until their destination and provide the support required.

Please give the results of the Criminal Record Check directly to the applicant.
